

Memo of Understanding Clause

VISTA sites will further agree to:

- a. Promote VISTA and your member's project within your local community by having the member promote his/her project a minimum of once per quarter. Examples of possible promotion activities include: presenting about the project to your agency's board of directors, presenting about the project at community functions or having the have member meet and discuss the project with local community leaders. Documentation of promotion activities must be submitted to the MLSA Project Director as part of the AmeriCorps*VISTA member's quarterly progress report.
